

# **GAS-FREE FRIDAYS**

## **CELEBRATE ‘GAS-FREE FRIDAYS’ WITH THE SAN FRANCISCO BICYCLE COALITION**

Grab your bike and a friend or co-worker and pedal by the SF Bicycle Coalition’s Energizer Stations to fuel-up on free coffee and snacks. The SF Bicycle Coalition encourages you to try bicycling on Fridays in July. It’s easier than you may think! Half of all trips in San Francisco are under two miles in length—a distance easy to travel by bicycle.
