- ❑ **#1: Custom Roadster**  
Inspired by French styles from the '50s and '60s, and customized for you! Start with a sweet cream-colored, Linus Roadster Sport donated by Rickshaw Bagworks and built to your size at Pedal Revolution. With hi-tensile steel frame, Chromoly down tube, 3 speeds and a distinguished character, this slim-lined ride is perfect for heading to the office or touring the avenues. Top off your new retro-chic bike with one-of-a-kind Top Tube and Pipsqueak Bag made of banners from Winterfest 2008. Then, head to Rickshaw's Dogpatch studio for a custom bag-making experience where you'll design your perfect Rickshaw Bag to match your new bike!

Value: priceless!
  
- ❑ **#2: Explore D3**  
Get a new perspective on District 3 and the inside scoop on the city you love with weekend bike ride with D3 Supervisor David Chiu. You and 2 friends will join your bike-commuting Board President for a 90-minute city bicycle tour followed by lunch for 4 at Rogue Ales Public House. How will SF weather the budget storm? When will the next bike lanes be striped? Get the inside track on what really happens behind the scenes in City Hall.

This one's for the Ladies: A super cute Specialized Women's Live 2 Mixte. Decked out with ride-everywhere touches, this 8-speed, aluminum-framed, front basket hauler is every bit as tough as she is pretty. Your Live 2 Mixte is a fashionable shade of Terra Brown, is ready for pick-up in your size, and has been supped up with a Planet Bike Superflash Light Set, an OnGuard Pitbull DT lock and a front basket full of New Belgium love.
