The property offered in the sale will be offered and sold by the San Francisco Bicycle Coalition (“SFBC”) and any questions should be directed to SFBC. The following terms and conditions govern the sales of all property offered at the auction and may be amended by either posted notices or oral announcements during the sale.

All property is sold “As Is” and SFBC makes no representation or warranties of any kind or nature, expressed or implied, with respect to the property and in no event shall be responsible for the correctness of any notices or descriptions of property nor be deemed to have made any representation or historic relevance of the property. Prospective bidders should inspect the property before bidding.

Any property may be withdrawn by SFBC at any time prior to the actual sales without any liability therefore.

SFBC reserves the right to reject a bid from any bidder. The highest bidder recorded at the close of the silent auction shall be the purchaser. In the event of any dispute between bidders, SFBC shall have sole and final discretion either to determine the successful bidder or to re-offer and resell the article in dispute. If any dispute arises after the sale, SFBC’s sale records shall be conclusive in all respects.

If SFBC determines that any opening bid is not commensurate with the value of the article offered, they may reject the same and withdraw the article from sale, and if having accepted an initial bid, SFBC decides that any advance thereafter is insufficient, they may reject the advance. Items that are not claimed by November 21, 2013 may be forfeit.

Restaurant certificates generally do not include liquor, gratuities or tax. Memberships, tickets and gift certificates are subject to restrictions, black-out dates, and expiration. Please read the item description closely.

Your purchase directly supports the work of the SF Bicycle Coalition. Your contribution is not tax-deductible.

All checks should be made payable to “San Francisco Bicycle Coalition”. Visa & MasterCard gladly accepted.
