

DON'T COMPROMISE ON SAFETY

Where are improvements being proposed?

People injured since January 8, 2009

92 People injured biking on Polk Street

81 People injured walking on Polk Street

Polk Street - Very Unsafe

90% of the corridor is part of San Francisco's most dangerous streets†

A challenging bike ride up Polk Street!

44% of Northbound Polk will see no improvement*

Not much better heading down...

64% of Southbound Polk will only get an unprotected green bike lane

Injury Data: California Highway Patrol's I-SWITRS

† Part of the 42 street miles where the majority of injuries occurred in 2007-2011
* NB Polk between California and Broadway will only have a bike lane 2 hours a day

San Francisco needs a safe Polk Street Help hold Supervisor David Chiu and the SFMTA Accountable!
