8. Are there any other aspects of your background and experience that you would like members to know about? (150 word limit)

I love the SFBC and the work that they/we do to make biking safe and more accessible for everyone here in the city. I haven't owned a car in more than 15 years and bike everywhere in the city, from downtown to Ocean Beach to the Bayview. Bicycling is my primary form of transportation and I work hard to connect people to the mission of the SFBC!
