

Do you bike for everyday transportation?

Yes.

Do you bike for recreation, racing, profession, or touring?

Commuting, transportation, recreation and every day fun.

Why do you want to serve on the San Francisco Bicycle Coalition Board of Directors?

I deeply believe in the transformative power of using the bicycle to travel about a city. I believe every resident and visitor should be encouraged, given the tools and access to the resources they need to ride a safe, working machine on streets that prioritize active transit.

Do you have specific goals you want to accomplish on the SFBC Board of Directors?

To support an organization that equitably and justly advocates for all people who ride bikes, regardless of group membership. Because the more people who ride bikes, the safe our streets will be come. I would like to continue to see our board, membership, staff, leadership and organization become more diverse and inclusive.

Describe your involvement with the San Francisco Bicycle Coalition to date.

During my first two years on the board, I have participated in various committees including Personnel, Strategic Planning, Membership, and Board Development. I've participated in the development, implementation and recent approval of the SFBC's 2018 Strategic Plan. I have also served as board secretary for the last year and produced thorough and timely notes which can be found online: <http://www.sfbike.org/news/board-of-directors-meeting-minutes-archive/>

What skills, experience and relevant qualities would you bring to Board service?

Nonprofit experience, community organizing, outside and diverse perspective and leadership skills.
